STAR LETTER

If anyone is preparing to redecorate their room, I would recommend using our budgerigar, as she is a wonderful wallpaper-stripper. She loves viewing the underneath of our table and playing on the armchairs, table top, settee and on our heads and arms. Apart from enjoying the wall covering, she chews curtains, lampshades, mirrors, armchair covers and loves taking her home apart by pecking the mirror out of its socket and pulling the bells down. She is very acrobatic and does somersaults and hangs upside down in her cage. Her favourite nesting place is in Mum's hair. Our budgie is known as Mrs Peck, due to all these antics. I am twelve years old and I hope this will interest all TV Comic readers.

Michael Almond, Mottingham, London.

Before you paint and decorate,
Call Michael Almond, if not too late.
For Michael's budgie, Mrs Peck,
Can strip a room in just a sec.
Just pay up when she's had a fill,
Or likely she'll present her BILL!

She sounds as if she'd make a useful demolition worker, too, Michael.

Dear Editor

This is a photograph of me playing my violin on the lawn in our back garden. I have a hamster who once ate a piece of putty, when she was on the carpet in the garage. My favourite stories in TV Comic are Tom and Jerry, Mighty Moth, Barney Bear,, Popeye, Laurel & Hardy and Pink Panther. I have been reading TV Comic for about two years and I enjoy it very much.

Tracy Curzons, Coventry.

A sort of 'Fiddler by the Fence', eh, Tracy? Fancy feeding your poor hamster on putty. I think you'd better treat him with something more nourishing once you've received your postal order.

Dear Editor

One day my Father was digging the garden, when he found lots of old bottles. He then showed them to me and he told me that they must have come from the old Pub that used to stand on the site of our house. I was very interested and I have now started a collection. Some of the bottles are very beautiful and some are worth quite a lot of money.

June Duckworth, Bordon, Hants.

There wasn't a genie in any of them was there, June? You are quite right about your hobby being unusual and interesting, too.

My name is Graham Matthews and I am nine years old. I like Mighty Moth best in TV Comic, and I have been reading it for three years. I have a new pet Dutch rabbit whose name is Tuppence. This is a picture of me as a pirate in our carnival last year.

Graham Matthews, Helston, Cornwall.

I like your outfit, Graham. You certainly live in the right locality for a spot of privateering. How about using your prize money as a down-payment on a galleon?

Dear Editor

My name is Yvonne Ellis. I enjoy reading TV Comic very much. My favourite characters are Tom and Jerry, plus Barney Bear. I have two pets, a cat who is called Snowy and a dog called Caesar. They are friendly to each other, but the cat is not very friendly to people. He bites, scratches and kicks with his back feet My hobby is playing the piano and my favourite tune is called 'Haymakers Song'. I can play this tune without the music.

Yvonne Ellis, Yeadon, Leeds.

There must be music in the air! Fancy making hay on the piano! If you are a Tom and Jerry fan, I wouldn't like to give any guesses as to who your favourite is. With a bully like Snowy around, you're just forced to stick up for Tom, aren't you, Yvonne?

Dear Editor

My name is Michael Theaker. I am ten years old and I live in York. I have been reading your comic for five years. I do not have any special characters as I think they are all great. My hobby is building model aircraft. I also like reading about aircraft and drawing them. I have a guinea pig called Peppermint and a cat called Tansy.

Michael Theaker, York.

Thanks for writing, Michael. I'm glad we seem to be putting the right characters in TV Comic.

Dear Editor

My name is Mark Weedall. I am writing to tell you about my unusual hobby which is collecting Dr Who pictures and stories. My other hobby is swimming. I like Dr Who and Popeye best in TV Comic which I have been reading since 1969.

Mark Weedall, Clwyd, North Wales.

How do you like the new Doctor? I think he's doing very well, don't you, Mark?

Dr WHO in 'DEATH FLOWER!'

AT Suffingham, a remote Wiltshire village, an alien creature in the form of Professor Sarric has begun his final plan to establish his vegetable intelligence on earth. Sillett, his ex-righthand man, has discovered the truth and escapes the Vegpro factory to find the Doctor and Sarah-Jane. But Sarric acts to prevent this by ordering the monster that was once Frank Lampard to block the road. Sillett crashes but survives. As the Doctor carries his unconscious body from the scene

I CAN HARDLY BELIEVE THAT THING WAS LAMPARD!

DOCTOR! IT'S GOT A FLOWER-HEAD, LOOK...

DON'T JUST STAND THERE! RUN—TO THE CHURCH!

AND EVEN AS THEY SCURRY AWAY...

HURRY, DOCTOR! IT'S ON THE MOVE AGAIN...

WITH SARRIC'S MONSTER CLOSING FAST...

PHEW! MADE IT!

ARE WE SAFE IN HERE?

THAT THING WILL HAVE TO BE VERY POWERFUL TO BREAK THROUGH MEDIAEVAL OAK AND STONE!

BUT THEN...

GOOD GRIEF!

IT SEEMS YOU SPOKE TOO SOON, VICAR. WE'D BETTER GET TO THE BELL-TOWER! IT'S OUR ONLY REFUGE NOW!

MEANWHILE, AT THE VEGPRO FACTORY, SARRIC HAS ADVANCED HIS EVIL SCHEMES TO THEIR FINAL STAGE...

MOVE OUT AND SEED THE HUMANS!

WE OBEY!

VEGPRO

AND FROM HIS CONTROL ROOM, SARRIC FOLLOWS THE DOCTOR'S FATE...

THE PUNY FOOLS HIDE IN THEIR RELIGIOUS ROCK PILE. BUT THEY WILL NOT ESCAPE MY DISPLEASURE! LAMPARD SHALL HAVE MORE POWER!

AT THE BESIEGED CHURCH, SARRIC'S NEW THREAT IS SOON DISCOVERED...

IT'S GROWING IN SIZE BY THE SECOND, DOCTOR. ISN'T THERE ANYTHING WE CAN DO?

I'M AFRAID NOT, SARAH-JANE. SOON, IT WILL CRUSH THE TOWER. OUR ONE HOPE IS THE MINISTER.

IF HE DIDN'T GO BACK TO BED AND FORGET IT ALL, THERE COULD STILL BE TIME.

IT'S A PRETTY SLIM HOPE ISN'T IT, DOCTOR?

IS IT MY IMAGINATION OR AM I HEARING THINGS?

AND IN THE BREAKING DAWN SKY...

D'YOU THINK THEY'VE SEEN US?

THEY SEEM TO BE HEADING THIS WAY...

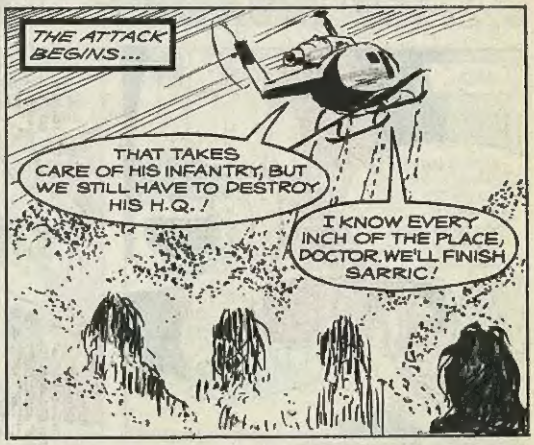
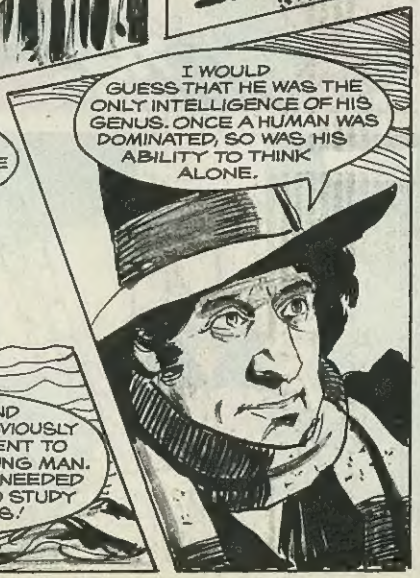
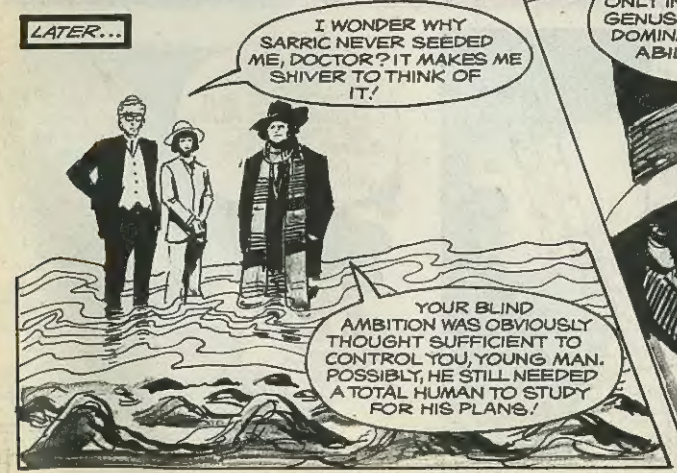
ANXIOUS SECONDS LATER...
THAT SPRAY— IT'S DISSOLVING THE ALIEN, JUST LIKE A JELLY!
WE...WE'RE GOING TO MAKE IT!
SOON...
YES, SIR. ALL THESE VEHICLES CARRY WATER TANKS.
RIGHT/THEN, WE'RE ALL READY. IF YOU FEEL WELL ENOUGH, SILLETT?
POLICE
I'M OKAY, DOCTOR. I'VE MADE MISTAKES. IT'S TIME TO PUT THINGS STRAIGHT.

AND SO, A STRANGE ARMY CLOSES IN ON THE SINISTER VEGPRO FACTORY...
WILL WE STOP HIM, DOCTOR?
IT'S ALL A MATTER OF TRIAL AND ERROR, SARAH-JANE. TIME WILL TELL.



THE ATTACK BEGINS...
THAT TAKES CARE OF HIS INFANTRY, BUT WE STILL HAVE TO DESTROY HIS H.Q.!
I KNOW EVERY INCH OF THE PLACE, DOCTOR. WE'LL FINISH SARRIC!

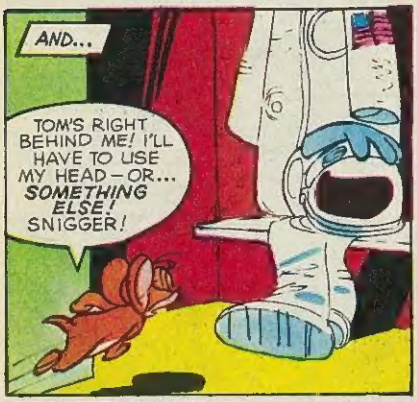


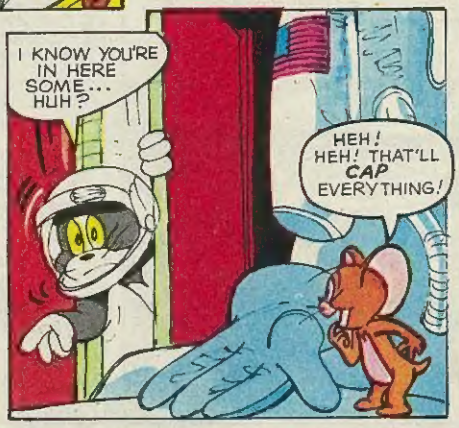


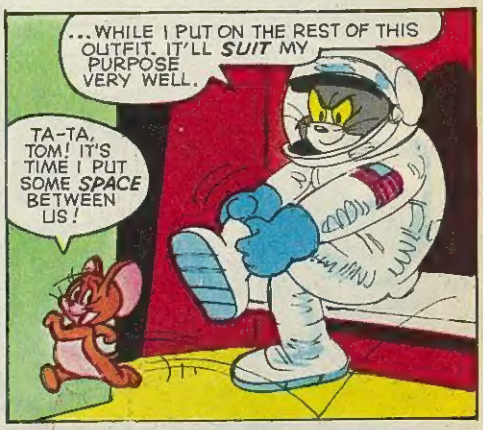
LATER...
I WONDER WHY SARRIC NEVER SEEDED ME, DOCTOR? IT MAKES ME SHIVER TO THINK OF IT!
YOUR BLIND AMBITION WAS OBVIOUSLY THOUGHT SUFFICIENT TO CONTROL YOU, YOUNG MAN. POSSIBLY, HE STILL NEEDED A TOTAL HUMAN TO STUDY FOR HIS PLANS!

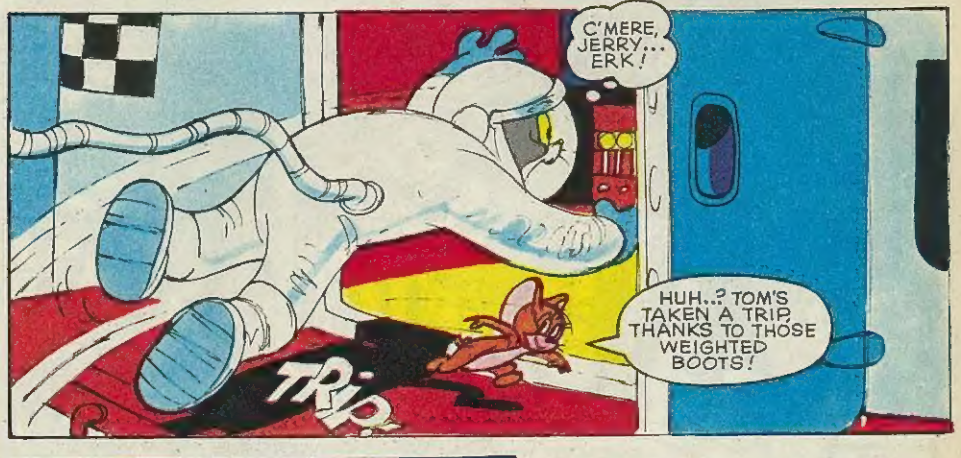
LATER STILL, THE DOCTOR RECOVERS HIS CAR...
WHAT WILL HAPPEN TO SILLETT, DOCTOR?
I WOULDN'T LIKE TO SAY, SARAH-JANE. I SHALL RECOMMEND TO THE MINISTER THAT SILLETT HAS MADE AMENDS! MEANWHILE, LET'S JUST ENJOY THE RIDE...

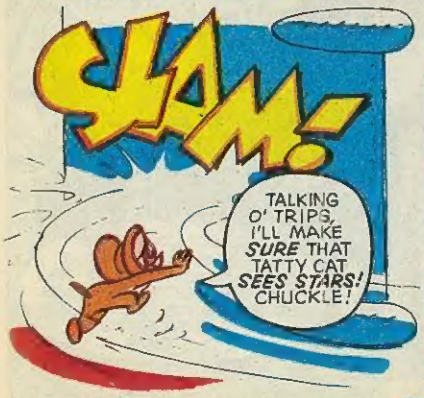
The Doctor's kidnapped in a great, new story next week!

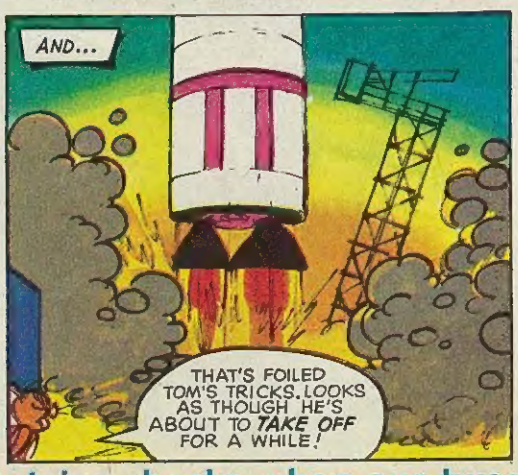












Outsize shocks when our twosome swap shapes soon!
